

Rachel Wagner
rachelreviews.net

The movie gets a lot of material by mixing up the genders of the characters in the movie and it is pretty funny.

Tom Bond
One Room With A View

The film is at its strongest when it's not taking itself too seriously, with plenty of laugh out loud moments driving a smart and entertaining action adventure.

[Full Review](#) | Original Score: 3/5 | Feb 19, 2019

Allen Adams
The Maine Edge

It's not a particularly sophisticated movie, but it really does have something for everyone - some great action set pieces, plenty of physical comedy, jokes both silly and smart, some charming awkward romance stuff, you name it.

Emmanuel Noiset
The Movie Blog

Overall I'd say Jumanji was an enjoyable, fun and entertaining film. Whether it lived up to the previous film is going to be up to the viewer. Personally, I think that both films excelled in different areas.

Andrea Thompson
A Reel of One's Own

Yes, "Jumanji: Welcome to the Jungle" takes the lazy way out, but the ride's more enjoyable than most, with some genuine laughs along the way.

Julia Swift
My Champlain Valley

You don't need to see the original in order to enjoy this fun mash up of 80's teen movie and video games. Light laughs and non-stressful action make for a crowd pleasing few hours of entertainment.

[Full Review](#) | Original Score: 7 | Jan 24, 2019

Harris Dang
The AU Review

Jumanji: Welcome to the Jungle is a lazy, unfunny blockbuster that wastes its likable leads with a terrible script and sub-par filmmaking. The film tries to be Indiana Jones meets eXistenZ, but it ends up being Sahara meets Pixels. Game over.

Sarah Cartland
Caution Spoilers

Despite a couple of missteps this is an enjoyable adventure that doesn't take itself too seriously, aided by a talented cast that bolsters a breezy script.

Kent Garrison
Mad About Movies Podcast

This will get at least a few more dozen movies from the 90s rebooted, and at least half of those will star either The Rock, Kevin Hart, or Jack Black.

[Full Review](#) | Original Score: A- | Nov 15, 2018

Sharronda Williams
Pay or Wait

The video game premise takes the film to some unbelievable places...

[Full Review](#) | Nov 12, 2018

Chris McCoy
Memphis Flyer

Kasdan knows this is all about his stars' charisma, and keeps them bouncing off each other in pleasing ricochets.

Mikel Zorrilla
Espinof

It works as entertainment and it is respectful to the first installment without falling into the error of trying to make a remake. [\[Full Review in Spanish\]](#)

[Full Review](#) | Aug 5, 2019

Jorge Loser
Espinof

A quick and autoparodic script that helps demystifying archetypes through the fun interpretations of the casting. [\[Full Review in Spanish\]](#)

Livemint
★ **TOP CRITIC**

This sequel has enough razzle-dazzle and laughs to make for a fun family entertainer.

[Full Review](#) | Jul 29, 2019

Matt Brunson
Film Frenzy

Enjoyable and undemanding entertainment.

[Full Review](#) | Original Score: 3/4 | Jul 21, 2019

Mattie Lucas
From the Front Row

It's probably better than it has any right to be, gleefully exploring its jungle video game concept while cleverly updating the concept for a whole new audience.

[Full Review](#) | Original Score: 2.5/4 | Jun 4, 2019

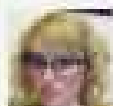

Andrew Kendall
Stabroek News

Jumanji: Welcome to the Jungle does not want to make a lasting impression, it just wants to divert your attention for a couple of hours. And at that, it is successful. Marginally.

[Full Review](#) | May 22, 2019

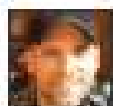

Kaitlyn Booth
Bleeding Cool

Jumanji: Welcome to the Jungle doesn't take advantage of its premise, instead going for lazy lowbrow humor and not much else.

[Full Review](#) | Original Score: 5.5/10 | May 16, 2019

Dan Murrell
Screen Junkies

Some very lightweight entertainment: you get in, you get some action, you get some laughs, you get out.

[Full Review](#) | Apr 25, 2019

Daniel Howat
Next Best Picture

Even with a simple plot, Jumanji: Welcome To The Jungle is so flat-out hysterical that it's a complete joy to watch. The film embraces the silly concept of being sucked into a video game, but never insults the audience's intelligence.

Alex Flood
NME (New Musical
Express)

We defy you not to laugh every time The Rock lets loose his eyebrow-tastic signature look. Robin Williams would have been proud.

[Full Review](#) | Original Score: 3.5/5 | Jun 30, 2021

Richard Crouse
Richard Crouse

By the time the end credits roll everyone are better off than when the movie started... except maybe the audience who deserve more than a handful of laughs and warmed over 90s nostalgia.

[Full Review](#) | Original Score: 2/5 | Feb 3, 2021

Mike Massie
Gone With The Twins

Back and forth banter is largely amusing, even if the script insists upon containing wholesome themes.

[Full Review](#) | Original Score: 6/10 | Dec 5, 2020

Zehra Phelan
Flavourmag

A spunky ball of energetic entertainment, with a whole lot of fun and heartwarming moments.

[Full Review](#) | Original Score: 3/5 | Aug 19, 2020

Damond Fudge
KCCI (Des Moines, IA)

You might not have thought you needed another Jumanji movie, but once you see it, it might be difficult to imagine ever not wanting it to exist.

[Full Review](#) | Jul 1, 2020

Steven Prokopy
Third Coast Review

Jumanji: Welcome to the Jungle is a harmless, well-meaning, spirited, and perhaps overly polished adventure tale that I can almost guarantee you kids of a certain age will really take to.

[Full Review](#) | May 21, 2020

Shawn Edwards
Fox 4 Kansas City

Everyone involved in Jumanji is so completely annoying. It's a wretched remake that exists for no particular reason.
